

Your donation to the Hamilton Academy of Performing Arts will go a long way to help us provide an opportunity for our students to fulfill their aspirations.

As our tuition costs to parents are very reasonable, we rely on fundraising and friends of the Academy to help us and therefore we have created several funds to donate to.

**General Operating Fund:** This fund is aimed at providing support for our day to day operations including training, productions, concerts.

**Scholarship Fund:** This fund is aimed at providing talented and deserving Canadian students with an opportunity to study at the Academy.

**Bursary Fund:** This fund is aimed at providing financial to talented students who need financial support.

**Building and Renovation Fund:** This fund is aimed at renovations to our performance space to accommodate performances and presentations by our students.

Thank you sincerely for your gift to the Academy and helping us to become the premier school that fosters artistic and academic excellence.
